

Grazie 2025

In our first Roman summer in 2009 we established a short-lived tradition of sending old fashioned thank you notes to people who helped make our summers so enjoyable, but it was a lot of work that we were only able to manage for a few more summers.

Nella nostra prima estate romana del 2009 abbiamo instaurato una breve tradizione: inviare biglietti di ringraziamento vecchio stile alle persone che ci hanno aiutato a rendere le nostre estati così piacevoli, ma è stato un lavoro enorme che siamo riusciti a portare a termine solo per poche altre estati.

Thanks! You helped make our summer another happy experience. Your long term friendship keeps the smiles on our faces when we are able to meet. And when we are far apart, we remember you.
