

...an inconvenient truth?

?

no, *many* inconvenient truths!

and so many of us who conveniently ignore so many of them...

if only santa could bring us all some truth serum... or love potion... or something!

meanwhile we send you our love and

our best wishes for the hope of

a better world someday.

Smile if you can!

Notes:

1. Our opening quote is courtesy of Al Gore, as most of you know.
Global warming. Maybe... maybe not... but if so, oops!
2. And not even Santa can help us...
he has his own troubles with the melting ice caps.
3. "Hear no evil, see no evil, speak no evil" reindeer.
4. "War, what is it good for?" See Wikipedia.
