

2012: the mother of all elections

Bad Santa

wanted to take a bit more from the rich, a bit less from the poor

Bad Santa has a list of who's been good and who's been bad and if you get on his bad list there is a special gift for you (and whoever happens to be nearby).

[Worse Santa had a list too, but 47 percent of the people were not on it...]

Too bad we never get to choose a good Santa.

thanks for having touched our lives in some way,

we send you our best wishes for a more hopeful future
