Speaking of worms,
we apologize for being social slugs

Aproposito di vermi, vi chiediamo scusa per
essere vermi sociali.

Some folks who'd prefer coal
for christmas...

Due che prefirirebbero
carbone per natale...

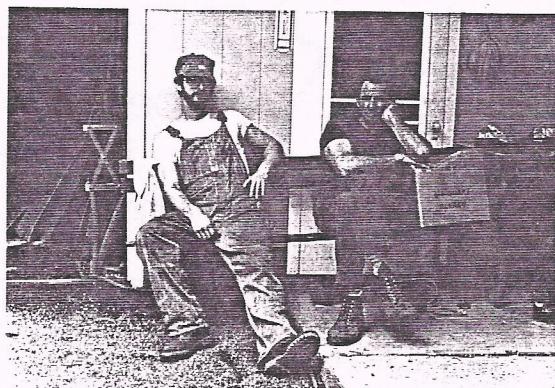

After 13 consecutive years meeting the holiday deadline (1978-1990), the 1991 edition of the dr bob X-mas card never went to press due to a corporate merger (19-10-91) designed to strengthen the future prospects of the company in an increasingly hostile business environment.
